Dear Corresponding author,

Thank you for your recent submission to *Journal of Banking and Financial Technology*.

It would be enormously helpful to us if you could let us know why you chose *Journal of Banking and Financial Technology* for the manuscript "Equivalent Numeric Approved Identity of Passport and Immigration Papers & The Next Generation Identification Program (NGI) [A Short Introduction]".

We understand you are busy, so we have just three questions for you.

To let us know more about your submission, **click here** or copy and paste the following URL into your internet browser: https://springernature.eu.qualtrics.com/jfe/form/SV_bHKyXDENImIlcP4?Q_DL=Mta0aqwUrt359sU_bHKyXDENImIlcP4_CGC_XYwykwiGRLGcZrA&Q_CHL=email

The answers you provide will not impact any of your past, current or future submissions to Springer Nature publications. Answers will be anonymised and only analysed in aggregate -- they will not be shared with any individual handling your manuscript. We plan to use your feedback to better understand the needs of the research community and inform Springer Nature's products and services.

If you have any customer support issues or questions, please visit https://support.springernature.com. If you are have technical problems with the survey in particular, please contact audience.research@springernature.com

I look forward to hearing from you.

Many thanks,
Chloe O'Donnell
